

## Objective

Seeking a Graphic Designer position to utilize my creative flair in order to provide the company with excellence in design services.

## Education

The Illinois institute of Art-Schaumburg  
Bachelor of Fine Arts in Graphic Design  
Graduation: March 2015

## Technical Skills

3D MAX	Dreamweaver	Flash
InDesign	Illustrator	Lightroom
Microsoft Office	Photoshop	PC, MAC, LINUX

## Traditional Skills

Illustration	Digital Photography	3D Environmental design
Color Theory	Typography	Mind Map
Layout design		

## Experience

### Related coursework

Typography, advertising, collateral design, information graphics, corporate identity, communication, and art direction.

### Freelance

**Stylex Salon** - I worked with the owners to establish the company's identity by enhancing their logo, Brochures, Business Cards, Advertisements, and Web Presence. We created a unified and consistent brand image across all mediums. I gained direct experience about functioning design and meeting tight deadlines for iterative design feedback.

**Shivam Consultant** – I worked with management to help them strategize their brand. I provided them with their Branded Logo and Business Cards design.

**Farmers Insurance** - Designed advertisements for local Farmer's Agent Job Joseph. I helped design his newspaper advertisement. The client had a solid idea of what he wanted from a design point of view. So I helped him to execute his idea within the newspaper.

**Nahuales Underground**- They are a local band I have worked with to collaboratively design their cd album. I helped them with the layout and design of their Cd album packaging. In addition to this I am also helping them on their website design.

### Work History

Feb 20 2017 – May 19 2017

Champro Sports Wheeling, IL

Production Artist/Graphic Designer

Worked with numerous clients to enable designs for their teams and business needs. As a Production Artist my responsibility where to set-up of production files and proofs for dye sublimation and custom apparel. I would also Create custom vector artwork based on customer specifications and if they wanted the logos or team names worked on I would also make that for them.

June 25 2016 - Aug 17 2016

UPS LockPort, IL

Graphic Designer

Worked with numerous clients to enable designs for their business needs. Primarily worked on print design. I would help them to develop creative ideas/strategy for their company. Worked with printers and created files for the printers.

Sept 2015 - Dec 2015

Viga Design Bolingbrook, IL

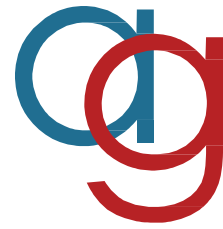

Junior Graphic Designer

Worked with clients to make designs for their cars and trucks. The client did not have a mobile advertising strategy. I help them develop a digital design logo that could then be utilized for advertising for their company cars and service trucks.

Jan 2015 - March 2015 Interactive Media Group

Graphic Design Internship

I worked on this company's identity by enhancing their logo, posters and interactive design work that would be put on the website. Helped them to provide a consistent branded identity across all their as mediums.
